REPORTS

SECRETARY'S REPORT 1965-66

The Academy of Dentistry was extremely fortunate to have Dr. Murray Cornish as its guiding co-ordinator during the past year. This has been a difficult year to formulate the many changes which will be introduced by the adoption of a new Constitution of the Ontario Dental Association. Since the District Societies of the Academy have decided to assume the corporate status to the Ontario Dental Association, we will promote educational, social and co-ordinational duties.

The activities of the year have been numerous and we feel they deserve some individual comment.

The year was opened by the Harold Keith Box Memorial Lecture on October 18. Professor Hans Selye gave an outstanding address. On October 28 the Annual Dinner was held and it was our privilege to have as Guest Speaker, Dr. W. G. McIntosh, Secretary of the Canadian Dental Association. Dr. McIntosh enumerated a great number of projects of the Canadian Dental Association and we were greatly impressed by the progress of our National Body in many fields.

The social event of the year was the Academy Dinner Dance at Rosedale Golf Club. This was a most successful party and was a fitting climax to Dr. McGowan's many years of service to the Academy.

The Winter Clinic, under the chairmanship of Dr. Morley Hardy, was an informative and practical one-day clinic, which left little to be desired. Everyone who attended was better informed for their effort.

The Three Stated Meetings were well attended and probably climaxed by the Second Stated Meeting which was an all day clinic. Dr. Lester J. Burket, Dean of the School of Dental Medicine, University of Pennsylvania, presented a paper which was an excellent summation of oral lesions and many of us are now more aware of related structures in the oral cavity.

No year's activities would be successful without a day of relaxation and fellowship. The Annual Curling Bonspiel provided this and was enjoyed by those who attended.

We cannot conclude our Report without some recognition to those members of Council who have performed their duties to their fullest extent. The Academy Year Book was an excellent guide to this year's functions and was diligently prepared by Dr. Bell. Dr. Heaslip has done an excellent job with public relations and fellowship. Dr. G. Stirling has given guidance to the Board on Dental Care. Dr. Hing and Dr. Crystal have manned the Study Groups, Housing and Equipment portfolios with diligence.

Dr. Kamienski has done a great deal of work in determining the need of the Dental Assistants' Course, and in collaboration with Dr. Grainger, a Past President, has completed a questionnaire as to the value and function of the Academy Course.

Dr. McKee, as Chairman of Emergency Service Committee, and Dr. McColeman, Chairman of Dental Public Health, have had a very active year and have fulfilled their tenureship admirably.

The Mediations Committee, under the chairmanship of Dr. Bruce Hord, has been very active and a report will appear separately in the Year Book.

In completing our Report, we would like to express thanks to our Executive Secretary, Mrs. Rosina Jones, who has made all our jobs much simpler by her organization work.

Respectfully submitted,
GORDON M. MARSHALL,
Secretary.

REFEREE BOARD ON DENTAL CARE LADIES' AUXILIARY FUND

In May of 1965, the Ladies' Auxiliary of the Toronto Academy of Dentistry provided \$750.00 for the dental care of children who would normally have no way of financing their necessary dental needs. This amount added to the existing balance of \$156.89, plus a donation of \$15.00 by Dr. A. Winnick, and bank interest of \$2.73 brought the total to \$924.62.

Two cases were completed in the remainder of 1965 and up until April 30th of 1966. Three other cases were completed with one additional case still being treated.

These children are chosen by Dr. S. Grey, Director of Dental Services, Department of Public Health. They are sent to a dentist near by, a member of the Academy, who submits a treatment plan and estimate to the Chairman of the Referee Board for the Ladies' Auxiliary Fund. The Chairman then determines whether the cases are acceptable.

In June of 1966, the Ladies' Auxiliary deposited \$1,375.19 in the Fund. This generous contribution indicates the hard work the Ladies are doing to raise money for their various projects. This also means that many more children will now have necessary dental treatment.

On behalf of the Academy I would like to thank the Ladies' Auxiliary for the fine work they are doing and hope that they will continue to carry on such a beneficial program.

GEORGE C. STIRLING,
Chairman, Referee Board Ladies' Auxiliary Fund.

EMERGENCY SERVICE

The after hours emergency service sponsored by the Academy had another very busy year. The volume of patients availing themselves of this service is increasing. Last year, 44 doctors, including 15 new men, took part.

My sincere thanks to all the dentists who participated in this very worthwhile service and also to our excellent secretary, Mrs. R. Jones, for her organization of this project.

Respectfully submitted,
DON M. McKEE,
Chairman, Emergency Service.

DENTAL ASSISTANTS' EVENING COURSE

This course is growing in popularity. Forty-five percent of the girls who enrolled, were already employed as dental assistants. Seventy-eight students successfully completed the course. Two prizes donated by the Academy were won by Mrs. J. M. Schindler and Miss J. S. Martin.

The graduation ceremony was held in the Faculty Auditorium, at which time, Dr. J. P. Coupland, president, Royal College of Dental Surgeons, presented the diplomas. The guest speaker was Dr. W. J. Dunn, Dean, Faculty of Dentistry, University of Western Ontario.

It must be remembered that all the students had full time employment during the day, while attending evening classes. They are to be commended for the time and effort they devoted to their studies to successfully complete the course.

The girls have shown their keen interest in dental assisting as a career — when next you need a new dental assistant — hire one of these graduates.

MIET A. KAMIENSKI,
Chairman, Dental Assistants' Course.

Dental Nurses and Assistants Registry

SPONSORED BY

The Academy of Dentistry, Toronto

MR. I. M. HANNAH

32 Gardenvale Road, Toronto 18

BE. 3-4390

Call Mr. Hannah for complete information regarding employment of full or part-time assistants:

1. If you are a dentist who wishes to employ a nurse or assistant.
2. If you know of a nurse or assistant looking for a position in a dental office.
3. If you wish an assistant with no previous dental experience to learn your own office routine.

MEDIATIONS COMMITTEE

Of the 60 cases mediated in 1965-66, the greater majority might have been prevented if better attention had been given to case presentation and fee estimation.

Your Mediations Committee would appreciate co-operation in this direction to assist the Committee in a most onerous task.

Respectfully submitted,
A. BRUCE HORD,
Chairman, Mediations Committee

UNITED APPEAL CAMPAIGN 1966

Chairman W. J. McColeman
Vice-Chairman Walter M. Godsoe

Captains:

W. D. Beaton	L. Joynt	H. T. Robbins
C. Clokie	I. Lightman	S. Rosenbaum
B. Crystal	R. E. McDermott	David Strain
V. J. Culotta	J. D. Pearlstein	B. Sullivan
W. L. Curtis	J. Pepper, Jr.	M. Truuvert
S. Green	F. Pulver	H. F. Vogl
R. Grose	C. Reynolds	I. Young
M. Kopel	W. Rice	

Results of United Appeal campaigns in recent years show that the average donation per dentist in Metro Toronto falls quite below that of members of other professions.

In addition to the above volunteer chairman and captains, some 110 dentists volunteer time from their practices to canvass their colleagues.

When your canvasser calls, please receive him as soon as possible — remember he is “out” of “his” office. As generous a donation as possible will be appreciated by the 82 social service agencies who rely on this one annual campaign for funds. These agencies need and deserve better support than we have been giving. Your pledge on a quarter yearly basis is preferred.
